

FlexDrawer

Versatile | Cost Effective | Ergonomic

Quick fact:

- > FFC3-1 designed to accommodate hot cooking equipment such as broilers, griddles and induction hobs, allowing easy access to food at the point of cooking

Quick fact:

- > Drawer runners can hold up to 200kg offering unrivalled drawer performance as standard

An innovative extension to our counter range, the Foster FlexDrawer allows you to change drawer temperature from fridge to freezer at the touch of a button - simple!

- > Space saving 775mm width models available, allowing a FlexDrawer to fit into the narrowest of spaces
